Research Training Programme ASEPUC – PRICIT

Red de Análisis y Contabilidad Financiera ASEPUC
PRICIT Programa Excelencia Profesorado – UAM

The ASEPUC *Análisis y Contabilidad Financiera* network in collaboration with *PRICIT Programa Excelencia Profesorado* (Accounting Department – Universidad Autónoma de Madrid) organizes a Research Training Programme which includes the following activities:

PRICIT DOCTORAL WORKSHOP

The PRICIT Doctoral Workshop provides a platform for doctoral students to present their research on accounting topics including (but not limited to) financial accounting, auditing, corporate governance, accounting history, environmental accounting, or management accounting. The Workshop offers doctoral students an opportunity to present, discuss, receive feedback, and exchange comments and views in an inspiring academic community of fellow Spanish Ph.D. students and experienced researchers. This is also an opportunity to build academic relationships. This first edition will go VIRTUAL.

APRIL 16-17, from 2PM to 6.30PM
